3-Year Residential Warranty/ 1-Year Contract Warranty

To insure you have purchased superior quality furnishings the warranty covers all defects in workmanship or material of the Anacara Company products. A separate warranty applies to the fabrics used in slings and cushioning as supplied by the manufacturer. The fabric warranty applies to structural failure of the material not to fading, mildew or tearing.

Anacara Company will, at factory option, repair or replace any Anacara product that has failed structurally during normal use and regular maintenance. Proof of purchase is required. All warranties apply to original owner only, and begins with the date of purchase.

Warranty does not apply if the failure of the furniture is caused by acts of nature, accident, or improper care.

All freight charges are the responsibility of the claimant and are not covered to or from our factory.

Anacara does not warranty freeze damage to frames. It is very important to not store your furniture upside down. **The nature of seat cushions may create fabric indentations which are a normal course occurring with normal use and are not considered imperfections.**

Furniture Care

You have purchased Anacara Company quality outdoor furnishings. Deep pride and care has been utilized in the manufacture of your furniture. To keep your purchase beautiful for many years please follow these easy steps.

Aluminum Frames and Resin Wicker —
Keep furniture clear from all debris. Clean frames with a mild detergent and warm water, rinse and let dry. Do not use wax on textured frame finishes.

Cushions and Sling — If excess water accumulates in cushions, scrub with mild detergent and stand on end to dry, do not dry clean or put in dryer. The best maintenance is to store out of the elements or cover when not in use.

Glass Table Tops — For safety tempered glass is used on all of our products. The glass may be cleaned with any glass cleaner.
